Article: Adapa SR, Hunter GA, Amin NE, Marinescu C, Borsky A, Sagatys EM, Sebti SM, Reuther GW, Ferreira GC, Jiang RHY (2024 April 7) Porphyrin overdrive rewires cancer cell metabolism. Life Science Alliance 7(7): e202302547. doi: [10.26508/lisa.202302547](https://doi.org/10.26508/lisa.202302547). PMID: 38649187.

Upon reviewing our supplemental data, we noticed an assembly error in [Fig S8](#), specifically in the lower panel. This panel was intended to demonstrate that only the parental strain K562 WT underwent additional staining for confirmation. We have updated this panel, including a magnified circle, to accurately depict this information.
